Infrastructure development remains critical to the development of any country. In South Africa, the government through its National Development Plan has identified infrastructure development as crucial to socio-economic development, with government committing to R827bn for public sector spending on infrastructure over the next three years.

In light of the drive to develop infrastructure on the continent, and to highlight projects underway in Africa, Times Media will be publishing an infrastructure-focused magazine to be distributed in the Business Times in May 2017.

Infrastructure will be available on the Business Media Mags website for 12 months:
www.businessmediamags.co.za

The *Sunday Times Infrastructure* publication will be distributed to 30 000 *Sunday Times* subscribers.

DISTRIBUTION

Infrastructure is published by *Times Media*, inserted into the *Sunday Times* and distributed to 30 000 subscribers nationally in major metropolitan areas. The publication will also be made available on the Business Media Mags website.
