

SALGA presents the Municipal Suppliers Directory. This annual municipal suppliers directory will become an invaluable municipal procurement practitioner's definitive directory. This directory is a must for businesses that would like to showcase their products and services to all the municipalities across the country.

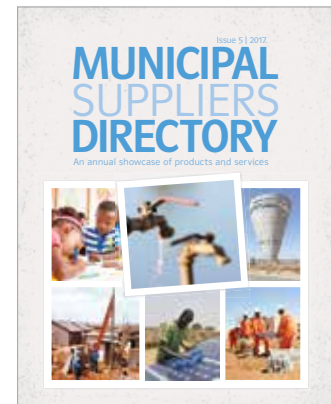

Municipal Suppliers Directory is a catalogue showcasing professional-services companies that have business relations with local government.

SALGA metropolises and municipalities spend a combined R100 billion per annum on procuring products and services.

The *Municipal Suppliers Directory* is distributed with the *SALGA Voice of Local Government* magazine, and will be a highly effective channel for service providers to showcase their goods and services to procurement managers, CFOs and municipal managers within all the municipalities across the country.

Distribution:

- municipal managers
- municipal engineers
- executive manager in municipalities
- procurement managers
- supply chain managers
