PETCO

COLLABORATING WITH
SUNDAY TIMES, GREEN

PETCO is South Africa's national industry body accountable for managing the PET plastic industry's Extended Producer Responsibility (EPR). Our mission is to grow the collection and recycling of PET bottles, after consumer use, on behalf of our members, who provide funding for this via a voluntary recycling fee contributed on every tonne of raw material that they purchase.

The future is green

KONE is a pioneer in developing eco-efficient solutions in the elevator and escalator industry. Our current machine-room-less elevator, KONE MonoSpace® S200, is up to 50% more energy efficient than our elevators from the '90s. Together with our customers, we make cities greener place to live. Scan the QR code to find out how we can help you save energy.

When the day is done... AVERDA is just starting

AVERDA

INVESTING TODAY, FOR TOMORROW.

As an asset manager committed to creating responsibly, we believe in long-term value-adding green returns. We have our clients' capital at work in a number of sustainable investments, including alternative housing, renewable energy, infrastructure and education. In short, a better future. This is just some of the impact our responsible investment efforts have had on our clients' portfolios in the investment period of 2017 to 2018.

OUR IMPACT ON BEHALF OF OUR CLIENTS

- R22.1m in green investments
- R16.5m in infrastructure investments
- R15.1m in alternative housing investments
- R15.1m in renewable energy investments
- R15.1m in education investments
- 80 000 people benefited from infrastructure investments
- 16 500 people benefited from alternative housing investments
- 1 800 people benefited from renewable energy investments
- 1 800 people benefited from education investments
