READ WHAT REALLY GOES DOWN IN SADC

ABOUT SA MINING

SA Mining, an alternate monthly publication, is South Africa's oldest mining magazine spanning over 125 years. Part of media giant Arena Holding's magazine division, the magazine examines and delivers in-depth project and topical news on southern Africa's and Africa's mining industry. *SA Mining's* news content covers a range of commodities; projects; contracts; legislation; finance-related issues; the environment; equipment and technology; as well-thought-out leadership from analysts, economists and think-tanks within the sector. The magazine is distributed within South Africa and the Southern African Development Community, while readership extends to an international audience. Readership is dominated, but not limited to, mine management, suppliers, contractors, consulting engineers, specialised service providers and experts – all serving the mining industry – through to university students. The magazine and its content is also available on www.samining.co.za and www.businessmediamags.co.za/sa-mining News, knowledge, opinion – all in *SA Mining*.
