EASY DIY

What's great about EasyDIY magazine? Everything. Because when Doing-It-Yourself you make decisions to suit your taste, create a home in your choice of colours, textures and styles, and as we've seen previously, the appeal of being involved and the deep-rooted sense of achievement is what motivates consumers to craft products for their own homes and gardens. The global movement towards sustainable living has seen a shift towards repurposing and promotes respect for fine craftsmanship. Whether learning new or refining existing skills, the editorial includes relevant, simple, easy-to-follow projects and ideas aimed at giving readers confidence. EasyDIY projects range from less complicated jobs like hanging a new shelf to complete room renovations and are presented in an easy-to-follow, step-by-step format. Features share expert advice with solid guidelines on projects and inspiration on how to add value to homes.

OUR CORE FOCUS AREAS

- News and savvy shopper – a snippet section for readers to scan news and learn about the various products involved in a category, for example hand held drills, paint brushes or garden equipment.
- Shop talk – an interview with a local craftsman making waves in South Africa.
- Themed features – these are usually linked to the overall magazine theme and the main home improvement techniques covered in various ways. Such as painting, tiling, lighting and gardening projects, as well as bathroom and kitchen renovations.
- Projects – the largest section of the magazine is filled with seasonal projects of varied ability levels.
- Gardening – a practical guide to garden projects, inspiration and skills. We look forward to working together to connect your brand with urban homeowners around South Africa.
